

## TUM SEED Center

# Announcement: Scholarship for International Summer School 2025 on Sustainable Energies and Entrepreneurship at the Technical University of Munich, Germany

### Call for Applications

The [TUM SEED Center](#) is an Excellence Centre for Exchange and Development, funded by DAAD and the German Federal Ministry for Economic Cooperation and Development from 2020 to 2029. The TUM SEED Center conducts research and offers higher education at the intersection of Sustainable Energies, Entrepreneurship and Development (SEED) in the Global South. The TUM SEED Center consists of the Technical University of Munich (TUM) and ten leading technical universities across the Global South, including Bahir Dar University (Ethiopia), Bandung Institute of Technology (Indonesia), Burkina Institute of Technology (Burkina Faso), Kwame Nkrumah University of Science and Technology (Ghana), Indian Institute of Technology Bombay (India), Jomo Kenyatta University of Agriculture and Technology (Kenya), Makerere University (Uganda), Namibia University of Science and Technology (Namibia), Pontificia Universidad Católica del Perú (Peru), and Stellenbosch University (South Africa).

### Who can apply?

This scholarship is open to master's students or a young professional (with bachelor's degree) from **one of the TUM SEED Center partner universities**, who have an excellent academic record and a strong motivation to apply for the [International Summer School on Sustainable Energies and Entrepreneurship \(ISS 2025\)](#) at TUM with scholarship support, which will take place in Munich from **14 until 25 July 2025**. We seek engaged students from the Global South, who are highly interested in sustainable development and eager to contribute to meaningful change. Applicants should have a keen interest in sustainable development and interdisciplinary research at the intersection of sustainable energies and entrepreneurship. Women and individuals with disabilities are particularly encouraged to apply.

### What is funded?

The scholarship includes:

- Participant fee
- Housing costs
- Mobility costs

*Please note:*

- *The organizational responsibility for visa applications and other logistical matters lies entirely with the students. While the TUM SEED Center can offer recommendations, all formalities and arrangements must be handled by the applicants themselves.*
- *If a student is unable to travel to Germany (e.g., due to visa issues or personal reasons), the scholarship will be forfeited.*
- *If a student's flight ticket needs to be changed, is missed, or requires cancellation, the student is responsible for covering any additional costs. The TUM SEED Center does not cover such expenses, and it is the student's responsibility to manage any necessary modifications.*

### Online Application

Interested students must first submit their application via the **online application form**: <https://wkf.ms/4gY5SnX> until **30 March 2025**.

TUM SEED Center is funded by:

If you have any questions regarding the announcement, feel free to contact the TUM SEED Center [seed-center@tum.de](mailto:seed-center@tum.de).
