## TEACH-THE-TEACHER PROGRAM ON IMPACT ENTREPRENEURSHIP & SYSTEMS INNOVATION

How can students acquire the future skills they need to tackle societal challenges? Impact Entrepreneurship and Systems Innovation provide interdisciplinary and practice-oriented perspectives to enable students to shape an ecologically and socially sustainable future. The IFF Teach-the-Teacher is an immersive program, combining theoretical knowledge, cutting-edge approaches and methods with practical application and hands-on experiences during the Global Entrepreneurship Summer School (GESS) as well as peer learning and exchange.
